Video

Left Layout:

1. Adhere 3" x 11" strip 2" from the bottom of base paper and 1" from the outer edge.
2. Adhere the 1" x 12" strip (Piece 1) underneath the piece in Step 1.
3. Adhere 10" x 7" rectangle along the right edge of the base paper, 1" down from the top, overlapping the piece from Step 1.

Right Layout:

Same steps as the Left Layout then rotate 180-degrees. Make sure you flip orientation of any prints so when the page is rotated the direction of the papers are appropriate.

Finishing Touches:

Adhere border stickers on the 1" strips. Use pieces #3, #4, #6, #7, #8 as photo mats and #5 as a title bar. Adhere remaining stickers as desired.
